## Driving Instructions from Casper To Red Reflet Ranch

There are two routes: one through the Big Horn Mountains, over the Powder River Pass, and the other avoiding the Powder River Pass which is at 9,669 ft.

Via Buffalo: Drive north on Hwy 25 to Buffalo. In Buffalo, make a left turn on Hwy 16 towards Ten Sleep. You will travel through the pass – about 1 hour drive through the mountains. Go through to the West End of Ten Sleep and make a left (south) on Big Trail/Hwy 434 for a little more than 7 miles. You will see a sign on the right side of the road for Spring Creek Road: turn left, heading East and always staying left, drive for 2.9 miles to the entrance sign of the Red Reflet Ranch!

Via Worland, avoiding the Powder River Pass: Look for signs to Hwy 20/26 – direction Shoshoni. It is approximately 85 miles to Shoshoni. In Shoshoni make a right, heading North, on Hwy 20/789 towards Thermopolis and then Worland. In Worland stay on Big Horn Avenue going East and you will join Hwy 16, it is then 26 miles to Ten Sleep. As soon as you arrive in Ten Sleep, make a right (South) on Hwy 434/Big Trails and drive for a little more than 7 miles. You will see a sign on the right side of the road – Spring Creek Road – turn left, heading East and always staying left, drive for 2.9 miles to the entrance sign of the Red Reflet Ranch!
